## Care and safety

- All exits are clearly marked
- Does each resident have a unique care plan and are residents included in the care plan creation process?
- Is there a physician who visits regularly?
- Is there a medical or nursing team available to provide medications?
- Is there an emergency call system in each suite?
- Are additional care services available if my needs change?
- Is there a policy for handling medical emergencies?
- Did you feel safe, secure, and like your needs would be met?
